Name of Student:

_____

Dear Students,

> ## It's holiday time once again! Time for fun and learning!

Here are few important points which will make your summer break a really fruitful one-

- ✓ Books are your best friends, so make sure you read a lot of books and enhance your knowledge and vocabulary.

- ✓ Try to acquire a new skill, learn a new song, play an instrument, improve your handwriting or something of your interest to unravel the artist in you.

- ✓ Contribute to save our precious environment. Minimize the wastage of resources like electricity, water etc.

- ✓ Do tasks that you can easily accomplish like filling water bottles, folding clothes, watering the plants etc.

- ✓ Plan some e-visits and virtual field trips and explore some online resources like Creative Bug and Brain Fitness.

The holiday homework has been very carefully designed to help you recapitulate the concepts done in class and stay connected with your lessons.

Please note the below instructions-

- ☞ The worksheets must be done in a very neat and presentable manner in subject fair notebooks.

- ☞ No need to write the questions. Only answers are sufficient.

- ☞ Print out of holiday homework is not required.

- ☞ Revise the syllabus and concepts covered in class till now

> *Wishing you a happy and fun-filled vacation! Stay Home, Stay Safe!*
